

## Waitlist Form for 2021-22

This is a **WAITLIST FORM ONLY** and does **NOT** guarantee a space at the school.

Our waitlist policy is posted on our website. <http://www.hipposchool.org/registration-2/waitlist-policy-and-procedure/> All waitlist families will be invited to view a virtual tour of the school. Please be sure to provide a reliable email address and check your SPAM/JUNK folder for communication from [office@hipposchool.org](mailto:office@hipposchool.org).

Please note that we are a **co-op style nursery school** and as such, families at the school are required to participate in a variety of ways. Please check out our website [www.hipposchool.org](http://www.hipposchool.org) to see our parent handbook for details about our program and parental participation.

All programs for the 2021-22 school year are 5 days per week.
