# Welcome to Hippo Nursery School

Daisy Dotsch founded Hippo Nursery School in 1947 as a non-profit, parent-teacher run nursery school to serve the needs of families in this community. Vaughan Co-op as it was then known, was a pioneer of the preschool co-op movement in Toronto and much of the philosophy that evolved here is now taught in early education programs in colleges and universities. Daisy passed away in November 2014 in her 100<sup>th</sup> year.

In 2014, we officially changed our name to Hippo Nursery School to finally reflect how we have been affectionately known in the community for many years. To celebrate, we now have a beautiful Hippo sign that was designed by Melissa Frew, a former Hippo parent and unveiled in May 2014.

By joining Hippo Nursery School, you have made a special commitment to your child by becoming an active participant in his or her early education. We hope that after this positive beginning, you will be inspired to continue your involvement through your children's future school years as well.

Your active participation at the school will include a bi-weekly morning duty day during which parents and caregivers participate alongside the staff. Your bi-weekly duty days are a fundamental part of the Hippo experience, allowing us to deliver an excellent child to adult ratio for maximum enrichment of the children, while meeting government guidelines and keeping enrollment fees as low as possible.

Other responsibilities for parents and/caregivers include attending 2 duty day staff training sessions and policy reviews, fulfilling a parent job for the school year, attending all general meetings, workdays, and several special school fundraising events. We also encourage you to attend the parent education opportunities throughout the year.

Through your family's commitment of time, skills and energy to Hippo Nursery School, parents and children reap rewards in the quality of the programs, in friendships with other families and through contributing to the school and community. A few years ago, a committee of dedicated staff and parents worked on a book about the history of Hippo Nursery School. Copies of *A Patchwork of Memories* are available at the school so that you can read about the school, its community and the history of childcare over the last 65 years.

Please read this handbook carefully, make note of any questions or comments you may have and keep it handy for reference.

Thank you making a commitment to Hippo Nursery School.

# Hippo Nursery School Program Statement

The Hippo Nursery School philosophy is defined by a fundamentally child-centred approach to all programming and by the active participation of parents and caregivers in that programming.

All programs are play-based and the children are central to their own educational process. The children's ideas and interests emerge and form the basis for their experiences, while the environment provides the materials and feedback that support their development. Children are given the freedom to use their imagination, and to develop their creativity and independence, with no pressure to conform or compete.

In addition, the participation of parents is highly valued by Hippo Nursery School and is an integral part of the Nursery School process. Parents are involved in both the classroom and the operation of the school and in partnership with the staff and teachers, enrich the lives of all of the children and have the opportunity to learn from one another.

Structured as a parent/teacher Nursery School, Hippo Nursery School stresses the spirit of cooperation amongst all staff and parents. Parents and staff are all workers and members at Hippo Nursery School who provide early childhood education in our community. Hippo Nursery School also recognizes clear lines of accountability, and is committed to providing an inclusive and safe environment that follows *How Does Learning Happen?*, Ontario's pedagogy for the early years as a guiding document and approach to our daily program and practices.

## **Enrollment Information**

Hippo School is licensed for children 18 months to 5 years old. Our school year begins in September and children who are 2 years old or turning 2 by December are eligible to enroll. The school will consider January enrollment if space is available.

## **Admission Process**

The registration process starts once the fees have been set by the budget committee, usually in late January. Priority is given to returning children, and then to the younger siblings of Hippo School students and alumni of the school. Any remaining available spaces for September are offered to families on the waiting list who have attended an Information Session or had a tour. Families registering preschool aged children (2.5 to 4 years old) for our school-year program can also enroll them in our summer program depending on availability.

Families who are offered a spot from the waitlist have 2 days to accept or decline. They must then fill out all registration forms and provide payment to confirm their child's enrollment in the school within 1 week of accepting the offer. If the registration package is not received, the offer is forfeit and the spot will be offered to the next waitlist family requiring the same enrollment.

## **Waitlist**

A new waiting list is maintained by the Registrar, starting each October for the following September's registration. An Information Session and/or tours are organized by the registrar for those families on the waiting list. The waiting list is not carried over from year to year, families must reapply each year and there is no cost to sign up for the waitlist.

## **Withdrawal/Dismissal**

A period of up to 4 weeks is allowed for a child to settle into the school. If, during this period, it is decided by the parents and/or the teacher that the child is not ready for, or not benefiting from the school program, the child may be withdrawn without the usual one month's written notice.

Parents also may be asked to withdraw their child, at any time throughout the year, from the school if they have failed to meet their obligations as members of Hippo Nursery School.

Fees will not be refunded in cases of absences due to illness, travel, or other temporary circumstances; or when school is closed due to emergency conditions.

Should you choose to withdraw from Hippo Nursery School, please notify both the executive and the Supervisor. One month's written notice is required.

## **Documents required by enrolled families:**

### **Children:**

1. A complete registration package. This package lists all the information that the school requires to ensure your child is safe and well cared for. The package also includes the Membership and Financial Agreements that all families must read and sign.

# Parent Participation - Duty Days

Your bi-weekly duty days are a fundamental part of the school experience, allowing us to deliver an excellent child-adult ratio for maximum enrichment of the children.

## Bi-Weekly Duty Day Commitment

- Each participating co-op family must do a bi-weekly morning 'duty day' at the nursery school, from 8:45am - 11:45am
- Beginning in September 2022, duty day volunteers are no longer considered staff (part of our licensed adult/child ratio). However, our teachers and assistant rely on you and it is imperative that you arrive on time and stay until the end of your scheduled shift. If you are unable to make your shift, you must find a replacement of pay the missed duty day fee.
- A duty day staff is always assigned to their child's group.

## Parental Leave

Hippo Nursery School allows for a one-month duty day leave (2 duty days) for families expecting a baby during the school year program. Please arrange this with the administrative assistant. Parental leave is only from the bi-weekly duty days. Families must fulfill other family membership responsibilities including parent job and general meetings.

## Participate Joyfully in your Duty Day

On duty days, parents and caregivers serve as assistant staff. Duty day staff contribute their time, experience, skills, support and encouragement to the children. This involves preparation, awareness and positive thinking. The quality of our program depends on the wholehearted, active participation of those on their duty days.

Commit yourself enthusiastically and joyfully to the program. Make a conscious effort to leave behind the cares and concerns of work and home so you can make a positive contribution. You will enjoy yourself and the children's fun and learning at school can be a welcome break from the stresses of the adult world.

## Weather Appropriate Clothing

You will enjoy your duty day much more if you are prepared do get down and dirty and participate in all weather, whether cold, wet, or warm.

## Duty Day Responsibilities

- Please refer to the duty day staff handbook which will be given to you during the duty day staff training session/policy review.
- Duty day volunteers/staff assist in supervising the children.
- Be attentive to the children's needs. Interact in their play. Encourage, comment, ask open-ended questions (a question that cannot be answered with a yes or no), and describe what you see. In order to be at a child's eye level, sit at the craft table, sit with the children during their snack and sit when playing or reading to them. If a child is wandering and restless, introduce him/her to an activity to help them settle into the playtime.
- Ensure that children are playing safely and within limits: walking inside the school; wearing shoes at all times; that children are gentle with themselves and others; "using their words" etc.
- To help the children settle into the activities better, adults should remain calm and engaged.
- Encourage the children to tidy up before starting another activity.

## Inside Supervision

- Position yourself at the children's level while at the same time being able to scan the whole room.
- Be involved in children's play. Help ensure children are working at their own level, and not feeling frustrated. Comment or ask questions about colours, shapes, function, etc. Ask open-ended questions,

use encouragement to help a child solve a problem rather than doing it for them. Use descriptive language to aid learning. There are examples of open-ended questions throughout each room.

- Ensure puzzles, games, etc. are out on the tables, and invite children to use them. Encourage children to finish their puzzles or games. We ask that puzzles be completed prior to re-shelving them to avoid losing pieces.
- Ensure that the books are orderly and well stocked. Sit down while reading/listening. You may read to small groups of children but sit in a good position to view the rest of the room.
- Encourage children to tidy up before they start a new activity.
- Ensure that there is paper on the easels, paint in the pots, play dough at the tables, etc.
- Children are *encouraged* to wear smocks for painting, water play, etc. and will need reminders and help to wash hands as needed.
- Encourage and interact in play when appropriate at the dramatic/dress-up centre.
- Sit at the creative table with the children, and remain with them during the activity. Give children guidance as to use of material, but allow form and content to emerge from them. Encourage participation and exploration of the materials. Use questions and comments to stimulate language, creativity and awareness. Please do not create your own artwork, as an adult's superior ability can be discouraging to the children. They then want you to do it for them.
- Encourage children to finish before leaving the activity "Is your art work finished?"; write the child's name on their work where the child wants you to—older children may want to print their own name. This might be a good opportunity to document on the artwork, with the child's permission, any feedback about their work. This can be achieved by using open-ended questions - "tell me about your picture".
- When creative play is finished, please wipe the tables with sanitizing solution.
- In the Dramatic Play /Dress Up area, rotate props for variety, model dramatic play. Encourage calm and cooperative play.
- Encourage children to dress themselves for outdoor play, but help when necessary, ensuring scarves and coat ties are tucked in, to prevent accidents. Make sure all children have sun screen and are wearing appropriate clothing for the weather.
- Please ensure all duty staff from your family **come prepared for the weather**.
- Take sand toys and riding toys out of the shed for the children to play. After outdoor play at the end of the day encourage and help the children to put the toys back in the shed. The shed is for storage only and should not be used as a playhouse.
- Supervise the slide so that only one child at a time goes down, sitting forward only, not backward or face first. Discourage going up the slide, or climbing up the sides of the slides.
- Ensure that children play safely. Toys do not accompany children on climbing equipment.
- Please encourage the sand to stay in the sand box and the wood chips to stay in the wood chip area.
- Please tell a teacher if it is necessary for a child to be taken inside to the washroom. Only fully participating duty day staff (i.e. who have a satisfactory Police Reference and Vulnerable Sector Check on file will be permitted to supervise children on their own.
- It is essential that duty day staff be aware and alert to the activities of the children. Position yourself to maximize your visual field.

## Snack

Snack is an important part of the program. It is a social occasion and an opportunity for children to develop social, self-help and language skills. Snack is provided in the morning, afternoon and aftercare.

Our nutritious snacks consist of a grain product (cracker, bread, etc.) vegetable and fruit. In the afternoon and aftercare, we also provide a more calorie dense milk product (cheese, yogurt, etc.) or legume (hummus, chickpeas, etc.). Water is available to drink at all snacks and lunch and provided if needed in between.

Duty day staff sit with the children and serve snack according to the child's preferences. Children should be encouraged to taste all the different foods but not forced to eat them. We offer vegetables and fruits before the grain product to encourage a nutritionally balanced snack. When snack is over, the children place their cups and plates in the bin provided.

## **Children's Washroom/Diapering**

Duty day volunteers/staff are required to help children with washroom routines and change diapers as necessary.

- Assist children in using the washroom as needed but encourage independence.
- Encourage children to dress themselves but assist when necessary.
- Follow posted diapering procedures.
- Guide and assist children in washing their hands before snack, after messy creative play, after using the washroom, etc.
- Please model appropriate hand washing and guide children to use the same procedure. (Instructions posted in washroom)

## **If You Are Unable To Do Your Duty Day**

If you are unable to make your scheduled duty day, please find another parent/caregiver who will exchange duty days with you. If another parent/caregiver cannot switch with you then you can hire one of our assistants to do your duty day for you (and pay them directly). Contact information and availability of Hippo Nursery School supply staff is provided on the website.

If you cannot find anyone, call the school immediately.

If you are unable to find a replacement, you will be charged the missed duty day fee (see Financial Agreement).

## **Siblings on Duty Day**

Although we have historically been able to allow younger siblings to accompany parents on their duty days, we can no longer accommodate them as part of the program. Families are granted one month's leave (2 duty days) from their duty days when a sibling is born during the school year.

# **Other Parent Responsibilities**

## **Parent Jobs**

Hippo Nursery School is run by the parents and staff. Parent jobs are an integral part of the co-op experience. It is very important that each family fulfill their parent job duties as the smooth running of the school depends on everyone working together.

In addition to a bi-weekly duty day, each family takes on a specific area of responsibility for the year—a parent job. Expect to spend an average of 40 hours throughout the year on your parent job. Parent jobs range from a position on the Board of Directors to doing the laundry or filing children's art.

In the summer before the school year starts, families are provided with a list of parent job descriptions and submit a parent job selection form in which jobs are ranked by preference. The jobs are then assigned according to the noted preferences. Every effort is made to assign parents one of their top 3 ranked jobs. Job assignments are communicated to parents in the welcome package emailed in the summer.

## **Board of Directors**

Hippo School is governed by an elected Board of Directors. Elections for open positions are held each May at the Spring Annual General Meeting.

Positions are as follows:

Co-Chairs (2)

Treasurer

Secretary

Human Resources Chair

Health, Safety & Maintenance Chair

Fundraising/Special Events Chair

Parents are welcome to attend executive meetings. The meeting dates will be posted in our weekly email Calendar of Events and the school calendar. Please let one of the co-chairs know if you plan to attend.

## **Meetings**

There are two mandatory general meetings (one in the fall and one in the spring).

There are two mandatory training sessions for duty day staff. All family members and care-givers doing duty days, even on an occasional basis must attend the duty day staff training session on the first Saturday after Labour Day in September and early February along with the regular duty day staff. Duty day participants who are not able to attend the training must arrange a time to complete the training with the Supervisor. Failure to attend will impact your eligibility to participate in Duty Days. You may be required to pay for Duty Day coverage until you are fully trained.

## **Parent Education Workshops**

Each year we try to offer a variety of topics and times to meet the needs of as many families as possible. We encourage you to attend the various parents' education workshops held throughout the year.

## **Childcare for Meetings**

With the exception of our first duty day staff training session, free child-care is provided for all in-person general meetings. A sign-up sheet is posted one week in advance and we encourage you to sign-up early as spaces are limited. We hire Hippo School assistants and experienced baby-sitters from the community. If you need to cancel your reserved child-care space(s), we do require 24 hours' notice, otherwise you will be invoiced \$5.00 per child.

## **Work Days**

Work days are scheduled on four Saturdays during the school term (usually in October, January, April and June) and one evening in the spring time. Deep cleaning, maintenance, painting, and repairs to the school facilities and equipment are performed by parents on these work days. Refreshments are supplied.

Saturday work day shifts are now 3 hours - parents sign up for either 9-12 or the 12- 3 shift. The spring time evening shift is also 3 hours from 6-9. Your \$150.00 work day cheque will not be cashed at the end of the year upon completion of 2 out of the 5 scheduled workdays/evening.

If you are unable to attend the scheduled Saturday or springtime evening work shift, you may also contact one of the Safety/Maintenance Chairs for other jobs on their list of work for the year that you may complete in lieu, at a more convenient time.

## **Special Events/Fundraising**

Participation in fundraising is included in your membership agreement. Parents are expected to participate in the annual events. The Special Events Committee will call upon you to volunteer your time at these events.

We count on your support as our operating budget relies on the revenue from these fundraisers to offset expenses throughout the year as well as keeping the fees as low as possible. Fundraising also fosters a sense of community not only in our school but in the neighbourhood.

# School Year Program Membership Agreement

Hippo Nursery School provides a unique experience for both Parents/Caregivers and their children in that Parents/Caregivers are afforded the opportunity to play a large role in their child's nursery school experience. In order to provide this experience, the school expects a great amount of participation from each member family. By participating, each member family has a voice in their child's education. Listed below are the obligations required of each member family that must be fulfilled during your child's stay at the school. Failure to adhere to these requirements may result in the withdrawal of your child from the program.

## All families agree to the following:

- to submit a **completed registration package** including **all documentation** required by the Ministry of Education for **children** and **Duty Day Staff**. If the required documentation is not received by the school in a timely manner, I/we understand that due to Ministry licensing requirements, my/our child will be unable to attend the program and/or the duty day staff from our family will be prevented from participating on duty days until all documentation is received by the school.
- to read the **weekly email**.

A grace period of up to 4 weeks will be given for duty day staff to secure all documentation needed if enrollment takes place once the school year has started. # Key Things to Know Before Starting at Hippo School

## Separation Anxiety - First Days at Nursery School

Nursery school is a new and challenging experience for your child. Your child will learn to be part of a group, how to get along without you, and how to gain and enjoy many new skills in crafts, dramatic play, music, motor activities, etc. Adult patience during the adjustment period is rewarded by the confidence of children who begin to participate on their own accord.

To make each child's entry into school as happy as possible, parents are encouraged to remain during their child's adjustment period, and the family and teacher decide together when each child is ready to remain at school without a parent.

Here are some useful tips (taken from *Your Baby & Child from Birth to Age Five* by Penelope Leach):

- Be honest with the child about your movements, don't "slip out" when s/he's not looking.
- When you and the teacher finally decide that s/he is ready to stay without you, tell the child.
- Remind your child, by name, of all the people s/he knows and the things that will be enjoyable to do.
- Keep it short. Once you've said goodbye, leave with confidence. Don't linger as it can be counterproductive. You can rest assured we will take care of your child.

Your child might also find comfort in having a small album of photographs of your family to carry with them as a reminder of home.

Once your child has settled, don't take their parting tears too much to heart. Many children who are genuinely enjoying and benefiting from group life find the parting moments hard. Sometimes even after adjusting, your child may be quite "clingy" on your duty day. Acknowledge their feelings about wanting you with them exclusively. Encourage them to participate in an activity and remind them that you will be staying until your duty day is over.

## Absences

Parents must notify the school if their child will be absent from school. Please call or email the school with your child's name, date(s) of absence and reason (e.g. vacation, illness, 'day off,' tired, etc).

If your child is absent due to illness, please include the symptoms of the illness. We are required to track illnesses by Toronto Public Health and the Ministry of Labour. Our health policy states that children must remain at home if they are feeling unwell and unable to participate in the program. If your child or your duty day staff has a fever, vomiting or diarrhea they cannot return to school for at least 24 hours after the fever has subsided (without medicine), or the last incident of vomiting/diarrhea has occurred.

If a child is at school and is not able to participate in the program and develops symptoms of an illness (vomiting, fever etc.) or seems unusually lethargic or 'out-of-sorts' the child will be isolated and the family called to collect them.

## Outbreak Procedures

From time to time, several children and/or adults may be ill with the same symptoms at the same time. If the children affected by this illness are in the same group, the supervisor makes a report to the Toronto Public Health. Their investigator then decides if and when an outbreak is declared. Extensive tracking by the supervisor is communicated on a daily basis to the investigator who advises and determines when the outbreak is over.

During an outbreak all those with symptoms of the disease will be required to stay home for 48 hours after experiencing the last symptom. In order to track the outbreak we need to be informed of the date of the first symptom; what the symptoms are, for each person in the family who has contact at the school. You might be asked to provide a stool sample for lab analysis but this is not mandatory.

At the school, all sensory activities are put on hold, increased hand washing and toy washing takes place and several other measures to minimize the spread of the infection.

## Clothing at Hippo Nursery School

Children: Your child will enjoy nursery school if they come appropriately dressed to play and get messy. It is important for them to have a spare set or two of clothes in case they have an accident or get wet from water play.

Please provide **shoes that fit and are appropriate for outside play** (not crocs, flip flops or open toed sandals, or heels) are crucial for children, in order for them to get the most out of all the gross motor activities.

If wet weather is in the forecast, please send your child with rain gear, as we love to go out, jump in the puddles, and catch raindrops on our tongues.

In the winter, please have your child bring their mitts, hat and scarf even if they do not want to wear them. When they see their friends getting all the gear on they might be more inclined to follow suit.

Sunhats in the warmer weather is important too. We do have lots of shade in the playground but sometimes we go on outings and the children need protection from the sun.

We discourage girls from wearing their ballet leotards as it makes using the washroom difficult, as they have to take everything off first.

If your child is toilet training, please do not send them in overalls as it makes it difficult for them to get ready to sit on the toilet quickly. Pull-ups encourage independence when starting to toilet train. Re-sealable pull-ups are easiest for staff to use.

We encourage independence in dressing, so anything you can do to work towards this goal at home is greatly appreciated.

**PLEASE LABEL ALL YOUR CHILD'S CLOTHING. THIS IS VERY IMPORTANT!!**

## Communication

We make every effort to return phone calls and emails as promptly as possible. Please understand that there is not always somebody in the office as the Supervisor and the School/Admin. Assistant can be called into the program, at any time, to assist.

Please feel free to request an informal or formal meeting either in person or on the phone. A phone message or email may also be sent and she will endeavor to get back to you promptly.

The School / Admin. Assistant works a minimum of 25 hours per week in the office Monday through Friday, 9:30 - 2:30, subject to change depending on the needs of the program.

## Questions and concerns relating to your child(ren)'s program

### **First:**

You are encouraged to address questions and/or concerns regarding your child(ren) program directly with their teacher(s). You may request a meeting or phone call with them at a mutually convenient time.

### **Second:**

If you feel that questions and/or concerns have not been addressed then the next step would be to speak with the Supervisor who will advocate on your behalf and take your concern to the executive board if necessary.

### **Third:**

If you feel your concern still has not been addressed, please contact one of the Co-Chairs directly.

We encourage you to share your praises as well as your concerns.

## Weekly Email

One of the primary ways we communicate to families is through our web-site and email. Every Thursday, we send out a weekly email with a calendar of events, news, reminders & monthly program notes about what the children have been doing from the teachers. Please also check the website regularly for schedules and updates.

## Allergies and Special Food Requirements

We are an Allergy Aware Environment which means:

1. Do not bring tree nuts or peanuts, or any food containing them or potentially in contact with them, in the school. Should there be children with life-threatening allergies to other foods, **there may be more restrictions.**
2. Before coming into the school, make sure your and your child's hands and face are clean of traces of food.
3. Make sure that no food or candy arrive at school in your child's pocket.
4. All food must be consumed in a designated snack area, sitting at a table.
5. Be aware of those children who have severe allergies when serving snack. These children may have food served from a separate snack plate, if necessary.
6. Be aware of allergic reactions and inform a teacher immediately if you suspect any child is having one.

As part of our Allergy Aware Environment, we endeavor to ensure that we are a **NUT SENSITIVE SCHOOL.**

Each year, depending on the allergies amongst the population of children and adults, we may have other restricted items, which will be communicated to you. Reminders will be sent on a regular basis.

Since some food allergies are potentially life-threatening, please be vigilant.

Epi-Pens for each child with severe allergies are carried by the teachers when the children are in attendance. Epi-pens are also kept on the back of the office door, each clearly labeled. Please see below for epi-pen training.

### **Anaphylaxis/Epi-pen Training**

# Special Trips, Activities, Programs

## Chartered Bus Trips

We schedule a few chartered bus trips each year to farms, conservation areas, and other places of interest. Children must be accompanied by an adult (parent, adult relative, friend or caregiver). If you are unable to attend, you can arrange for another parent or caregiver to accompany your child. Siblings who do not attend the school are welcome to accompany you.

Bus trips are designed to give children an opportunity to get out of the city and as a whole school activity, it encourages parent and family connections and helps to strengthen our community. In the past few years we have gone to Andrew's Scenic Acres in the fall, Crawford Lake in late winter, and Lynde Shores Conservation Area in the spring. Trips are often repeated to give new families the opportunity to attend. This also allows returning children to enjoy remembering things from previous trips and add more to their understanding because they are older. ***School is closed during these trips.*** Sign-up sheets are posted and permission forms are required; some trips do require a nominal fee.

## Public Transit Trips

The children sometimes travel by streetcar, bus, subway or walking to the museum, theatre, pet stores, etc. Teachers may ask for extra parent volunteers to help with these outings.

## Local Walking Trips

Local walking trips are spontaneous and parents may not be notified. Permission for local excursions is requested at time of enrollment in the registration package.

## Special Activities

All families are encouraged to participate in our special events such as the Halloween parade, Festival of Lights celebration, and school picnic. There are various fundraising events throughout the school year, including the November Craft Fair and a Spring Fundraiser. We depend on your participation at these events in order to meet our fundraising goals as required by the school budget.

Our teachers have one professional development day per term (3 per school year). On PD days, school runs as usual, with substitute teachers hired as needed.

# Hippo Nursery School Policies and Procedures

We have also established our own operating policies and procedures to ensure that the nursery school functions in a professional and transparent manner.

Many of our Policies and Procedures are accessible through our website. Please log on to the members' section at [www.hipposchool.org/members](http://www.hipposchool.org/members) using the username and password provided to new families in the welcome package.

### **Program Statement and Implementation Policy**

The Hippo Nursery School philosophy is defined by a fundamentally child-centred approach to all programming and by the active participation of parents and caregivers in that programming.

All programs are play-based and the children are central to their own educational process. The children's ideas and interests emerge and form the basis for their experiences, while the environment provides the materials and feedback that support their development. Children are given the freedom to use their imagination, and to develop their creativity and independence, with no pressure to conform or compete.

In addition, the participation of parents is highly valued by Hippo Nursery School and is an integral part of the Nursery School process. Parents are involved in both the classroom and the operation of the school and in partnership with the staff and teachers, enrich the lives of all of the children and have the opportunity to learn from one another.

Structured as a parent/teacher Nursery School, Hippo Nursery School stresses the spirit of cooperation amongst all staff and parents. Parents and staff are all workers and members at Hippo Nursery School who provide early childhood education in our community. Hippo Nursery School also recognizes clear lines of accountability, and is committed to providing an inclusive and safe environment that follows *How Does Learning Happen?*, Ontario’s pedagogy for the early years as a guiding document and approach to our daily program and practices.

Involve the local community partners and allow those partners to support the children, their families and staff	We will engage with various community members and businesses to support our children, families, and staff.	We regularly bring the children on outings to businesses and places within our community (for example to our local vet, hair salon and to visit neighbours). We have a Resource Worker that can assist the children and families needing support and provide resources for families and teachers when needed. We have a Parent Educator who regularly liaises with community members to facilitate programs, workshops, and training sessions that support our families, children, and staff.
Support staff or others who interact with the children at a childcare centre in relation to continuous professional learning	We will support staff to attend professional learning opportunities and encourage ongoing training as related to the childcare field.	Staff attend workshops that are provided throughout the year (internal trainings, external workshops, and performance goal development). Financial support is available for staff development.
Ontario Regulation 137/15 S. 46 (3)	Goal	Approach
Document and review the impact of the strategies set out in clauses (a) to (j) on the children and their families	To ensure that the strategies set out in (a) to (j) are meeting the needs of our children and families and provide opportunities to make changes if needed.	Through staff's documentation of the children, and feedback from families and staff, we assess and explore opportunities for improvements in our approaches. Families are surveyed throughout the year using online formal surveys or hard copies (depending on need). We provide our families with Duty Day training and a Duty Day review. We have an open door policy with our families and we have a Parent Rep. on our Board of Directors which is composed of parent volunteers.

## **Sleep Supervision Policy**

All children who sleep while at Hippo Nursery School are to be supervised during sleep. Staff must always be aware of a child's physical health during sleep by performing direct visual checks of each child.

Parents are consulted respecting their child's sleeping arrangements at the time of enrollment and ongoing thereafter.

Hippo Nursery School will follow all recommendations for sleep that are made by Public Health Agency of Canada and will ensure that cots comply with the standards of the Canadian Consumer Products Safety Act.

## Sleep Room/Area Setup

Children will be assigned to individual cots or mats which will be labelled with the child's name.

Lights can be dimmed in the sleep room/area, but staff must be able to see children clearly during the visual checks.

There will be a sleep plan posted in each room to quickly identify where each child's cot or mat is located in the sleep room/area.

## Procedure for Sleep Supervision

Staff must perform direct visual checks of sleeping toddlers, preschoolers, and kindergarten age children every 30 minutes. Direct visual checks mean that staff will be physically present by each child, checking for indicators of distress or unusual behaviours, such as, but not limited to:

Laboured breathing

Bluish color around the lips or fingernails

Color of the skin (may look grey)

Sweating

Wheezing - whistling sound while breathing

Restlessness

Direct visual checks must be documented on the Sleep Room Visual Check Chart.

Any changes in a child's sleeping patterns or behaviours during sleep will be communicated to parents and will result in more frequent direct visual supervision of the child.

## Toddlers and Preschool Rest/Sleep Period

Toddler and Preschool children are required to have a rest period not exceeding two hours in length, or must be engaged in quiet activities, based on the child's needs.

Although there may be reduced ratios in the sleep room/area, toddler and preschool children must be visually supervised at all times.

Every 30 minutes, staff must stand beside each child and check for indicators of distress or unusual behaviours in each child.

Direct visual checks for toddler and preschool children must be documented on the Sleep Room Visual Check Chart

The Sleep Supervision Policy will be reviewed with staff, students and volunteers when they begin their employment or involvement with Hippo Nursery School and at any other time when changes are made.

## Serious Occurrence Policy And Procedure

## Intent

To support the health, safety and well-being of children and staff in licensed child care monitored by the *Child Care Licensing System* (CCLS). The Serious Occurrence Policy provides a plan to deal with any serious incidents, a protocol to report, track and follow up on incidents, and provide greater transparency for parents regarding serious occurrences that occur in the child care program.

## Definition of a Serious Occurrence

The Definition of a “serious occurrence” according to the *Child Care and Early Years Act 2014* is as follows:

## Responding to a Serious Occurrence

Should a Serious Occurrence arise, there are a few key components to remember when responding.

All serious occurrences must be reported to the Supervisor or designate immediately so that s/he can conduct a *preliminary inquiry* and all persons having knowledge of the occurrence should remain on the premises until they have been interviewed by the Supervisor or designated person.

### **Playground Safety Policy**

#### **Playground Policy- Programming**

At Hippo Nursery School, the R.E.C.E. staff provides opportunities for all children that promote creative and constructive play. Outdoor programs must take into consideration the developmental levels and needs of the children and provide year round active, social and quiet play.

#### **Playground Policy- Supervision**

At Hippo Nursery School, the outdoor program is an extension of the indoor program. Ratios are maintained accordingly (Toddlers 5:1, Preschool 8:1) and require an RECE to be present whenever children are on the playground. It is important for staff to interact with children while on the playground. Staff are to be involved with the children, providing an inclusive environment, facilitating and extending play while ensuring safe supervision of the children at all times.

#### **Playground Policy- Renovations/Repairs**

At Hippo Nursery School, any new equipment or new renovations, repairs or replacements will be installed to meet the CSA Standard.

A Certified Playground Safety Inspector will inspect all work and verify compliance with the CSA Standard in writing. The document will be kept on file.

### **Playground Weather Policy**

At Hippo Nursery School we are committed to outdoor play as per the requirement for each child in attendance for 6 or more hours per day, to play outside.

Teachers will use their discretion / judgment. If the decision is made to go outside there is an understanding that the teacher can decide to come back inside if the weather conditions are determined to limit playground activities.

Parent will be asked to supply their child(ren) with appropriate clothing for the weather conditions so that there is always an option to take them outside.

If parents do not want their child to go outside, then they need to request it in writing and be available to come and supervise their child during the outdoor play time.

### **Supervision of Volunteers and Students Policy**

The purpose of this policy is to support the safety and well-being of children at Hippo Nursery School by clarifying the roles of volunteers and placement students with respect to the supervision of children in the program. The term "volunteer" includes duty day staff members that have not yet received a satisfactory response from their Police Reference and Vulnerable Sector check. "Placement students" are students placed in the Hippo Nursery School child care program by an educational institution. At Hippo Nursery School, volunteers and students play a critical role in the services provided to children and their families. HNS actively promotes volunteerism and student placements and empowers volunteers and students to support the development and well-being of children and families.

#### ***Procedure***

##### **Orientation**

All students and volunteers must attend a general orientation prior to commencement of their placement. During their orientation, all required documents including immunization, Standard First aid & CPR-C, and Police Reference & Vulnerable Sector checks must be submitted. Hippo Nursery School is required to retain a copy of such documents. Relevant policies and procedures are reviewed and signed off by each student and volunteer. A signed acknowledgement of receipt is required. No student/volunteer may commence an assignment at Hippo Nursery School until the orientation has been completed. Volunteers whose agreements are for one year or more are required to review and sign off on all relevant policies and procedures annually.

The first session will take place at the beginning of the school year, prior to the first official duty days and the second session takes place in February. ## Health Policy

### DOCUMENTATION

In accordance with Toronto Public Health regulations the following must be returned to the school before a child can attend:

- Evidence of immunization against all diseases as per the Immunization Schedule. Some families may choose to opt-out of immunization, in this case they must provide either a medical exemption from their physician or else a signed & notarized Affidavit (Statement of Conscience or Religious Belief - Child). **Please remember to inform the school when your child receives new vaccinations** so that we can keep our records up-to-date. Families must also provide immunization records for siblings who attend duty days on a regular basis.
- An Adult Health Form filled out by a physician that includes immunization history and a recent skin test and/or chest x-ray that indicates freedom from tuberculosis, for the parent or others who will be doing duty days. Again, should adults choose to opt-out of immunization, they must provide either a medical exemption from their physician or else a signed & notarized Affidavit (Statement of Conscience or Religious Belief - Individual).

*The above health forms must be completed and returned to the school or the child will not be allowed to start.*

### ILLNESS PROCEDURES

Please do not send your child to school with a cold, flu, or if they have a fever, diarrhea or have been vomiting. It is of vital importance that we observe this rule, as contagious illnesses can spread rapidly.

*We cannot accept sick children at school, no matter what the circumstances.* Children who become sick during the course of the day will be isolated in the office. The parent must make immediate provision for a sick child to be picked up. All children must be analgesic-free in order to **safely** attend Hippo Nursery School.

**Colds** - At the first sign of a cold, please keep your child at home. Common signs can include: lethargy, glassy eyes, runny nose, and irritability. Recovery will be quicker if children are kept at home through the third day. If at that time there is no fever, sore throat, or coughing, the child may return to school, in spite of still having some residual sniffles. If the illness is only a cold, the infectious period will be over in 3 days. Please do not ask us to keep your child inside. If children are not well enough to fully participate in the program, then they are not well enough to attend.

**You must contact the school daily** when your child is absent due to illness. You must provide us with **details** (start date and time of symptoms) in order for us to track all illnesses so that we can put policies in place to minimize the spread of disease.

**Medicine:** Only the Supervisor or a designated staff can administer medication. Parents must sign a consent form before medicine is administered.

**Policy** - Any child, parent, or staff who is sick will be excluded from the school using the following criteria:

- 1) Those experiencing **fever, diarrhea, or vomiting** need to be excluded for **24 hours** after the last symptom has disappeared, before returning to participate in the program. In the event of an outbreak, the exclusion period will be **48 hours** after the last symptom has disappeared.

- 2) If the illness prevents a child or adult from participating in the program.
- 3) If the illness is an **infectious disease** i.e. impetigo, ringworm, hepatitis A, strep throat, pink eye.

Children will be excluded for the full period of time required by the Toronto Public Health, using their GUIDELINES FOR COMMON COMMUNICABLE DISEASES.

The school keeps a record of communicable diseases for the Toronto Public Health. If an outbreak does occur, we must give the Toronto Public Health the following information: child's name, parent's name, address, telephone numbers, communicable disease in question, date of onset of disease, doctor's name and telephone number. You may be asked for consent to submit a stool sample for testing should someone in your family experience outbreak symptoms.

## Waitlist Policy and Procedure

A new waiting list is maintained by the Registrar, starting each October for the following September's registration.

As we often have an overflow of response from the community at waitlist times, waitlist forms are available online and accepted no earlier than the specified/designated date. Notice of the date when our waitlist opens is given well in advance on our website.

Waitlist forms are marked with the time and date that they are received and then numbered accordingly.

An Information Session and/or tours are organized by the registrar for those families on the waiting list. The waiting list is not carried over from year to year, families must reapply each year and there is no cost to sign up for the waitlist.

Spaces are offered in sequence beginning with Internal families, then alumni, followed by new families.

Factors that are considered before offering a spot are: age of child, maximum group size, type of use needed (full-time, part-time, etc.).

All waitlist families **will be contacted** by the registrar even if we are not able to offer them a spot for the coming year. **A family's position on the waitlist does not necessarily reflect their chances of getting a spot at the school.** We ask that families please refrain from contacting the school or registrar with questions about their position on the waitlist as we WILL contact them.

Waitlist families will be contacted when the internal registration is complete. We anticipate beginning external registration **at the end of January or early February**. It is the family's responsibility to ensure we have been given the right contact information. If a family is offered a spot, they will have two days to accept or decline the spot and then the registrar will move on to the next family. If we are able to offer a family a spot they can expect to hear by the end of March. If a family is not offered a space in this initial period, it is possible that a space may come available in the spring after the withdrawal deadline for enrolled families.

Investigations of issues and concerns will be fair, impartial and respectful to parties involved.

### Confidentiality

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/guardians, children, staff, students and volunteers, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

### Conduct

Our centre maintains high standards for positive interaction, communication and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party.

If at any point a parent/guardian, provider or staff feels uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the school supervisor and/or licensee.

### Concerns about the Suspected Abuse or Neglect of a child

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact the [local Children's Aid Society](#) (CAS) directly.

Persons who become aware of such concerns are also responsible for reporting this information to CAS as per the "Duty to Report" requirement under the *Child and Family Services Act*.
